Useful Websites

- [European Chemicals Agency \(ECHA\)](#)
The "Search for Chemicals" box on the right side of webpage allows users to achieve information of each chemical substance simply by entering its name, EC number (a unique number assigned by the European Union for each chemical) and CAS number (a unique number assigned by Chemical Abstracts Service of the American Chemical Society for each chemical).
- [REACH, European Union \(EU\)](#)
REACH, which refers to "Registration, Evaluation, Authorisation and Restriction of Chemicals", is a regulation of the European Union (EU) adopted to protect human health and the environment from risks due to chemicals.
